Art for art's sake. Slightly concerning was the February "quarterly" update published about four

months after the previous one. At a time when one would expect it to be packed with the latest news, it appears to concentrate, for the large part, on the artwork associated with the project.

The possibility of using the alignment for this purpose had been mooted before. The problem was that it was a project that London Underground (or TfL, their parent) were never likely to fund themselves, for the simple reason that the primary beneficiaries wouldn't be Londoners – they'd be the citizens of Watford, just over the border in Hertfordshire.

This is because many languages simply borrow English words and integrate them into the new language with altered pronunciation or stress. So to make my life easy when I start learning a language, one of the first

word lists I try to consume is a list of cognates or English loan words which can be found quickly for pretty much any language.
