Cost Accounting: A Managerial Emphasis, 14th Edition - PDF

Hornsgren's Cost Accounting defined the cost accounting market and continues to innovate today by consistently integrating the most current practice and theory into the text. This acclaimed, market-leading text emphasizes the basic theme of "different costs for different purposes" and reaches beyond cost accounting procedures to consider concepts, analyses, and management.

Cost Accounting: A Managerial Emphasis, 14th Edition - PDF

Modern cost accounting takes the perspective that collecting cost information is a function of the management decisions being made. Thus, the distinction between management accounting and cost accounting is not so clear-cut, and we often use these terms interchangeably in the book. We frequently hear business people use the term cost management.
