A tiger team is a diversified group of experts brought together for a single project, need, or event. They are usually assigned to investigate, solve, build, or recommend possible solutions to unique situations or problems. They are almost always populated with mature experts who know what's at stake, what needs to be done, and how to work well with others.

Creating a Competency Model for Diversity and Inclusion

A team is a group of individuals working together to achieve a goal.. A group does not necessarily constitute a team. Teams normally have members with complementary skills and generate synergy through a coordinated effort which allows each member to maximize their strengths and minimize their weaknesses.
