### **Promoting Creativity for Life Using Open-Ended Materials**

Brainstorming is a group creativity technique by which efforts are made to find a conclusion for a specific problem by gathering a list of ideas spontaneously contributed by its members.. In other words, brainstorming is a situation where a group of people meet to generate new ideas and solutions around a specific domain of interest by removing inhibitions.

Everybody immediately responds to subject matter in art. A picture of a butterfly and a picture of a snake do not get the same response. In addition to subject matter\*, the formal aspects of visual composition are like the grammar of a language. In writing, a story is written with words - subject matter. Like good literature and good poetry is more than words and subject matter, art is more ...
