International relations theory is the study of international relations (IR) from a theoretical perspective. It attempts to provide a conceptual framework upon which international relations can be analyzed. Ole Holsti describes international relations theories as acting like pairs of coloured sunglasses that allow the wearer to see only salient events relevant to the theory; e.g., an adherent ...

But, I heard that "TERF is a slur!" The "TERF is a slur" meme is a way for TERFs to simultaneously attack and dismiss critiques of their ideology and behavior. Recently, a cisgender feminist used the term TERF and was immediately attacked "not for the observations she actually made" but for daring to distinguish between radical feminists and TERFs.
