

critical reading and writing pdf

Critical reading is a form of language analysis that does not take the given text at face value, but involves a deeper examination of the claims put forth as well as the supporting points and possible counterarguments. The ability to reinterpret and reconstruct for improved clarity and readability is also a component of critical reading. The identification of possible ambiguities and flaws in ...

The Process of Research Writing

READING AND WRITING TOGETHER. Writing is not a skill that students learn separate from other processes. It combines many complex activities, including categorizing, building key terms and concepts for a subject, measuring one's reaction to a subject, making new connections, abstracting, figuring out significance, and developing argumentsâ€”to name a few.
