Oil bath air cleaner: Greatly enlarged with dual air-intake. The size increase mirrored the larger engine displacement. The size and weight of this one-year-only air cleaner/breather necessitated a one-year-only stabilizing bracket that mounted on the front manifold bolt and held the airbreather firmly in position.

Part of the front foundation bed before I spread pine straw mulch. You probably can't tell, but I'd actually added quite a bit of shredded pine bark mulch to this area over the past couple of years (most recently around the newly planted camellia and fothergilla shrubs).

Garden of Aaron: Six Reasons Why Pine Straw Makes the Best

It is a fact that our country is more reliant on electrical power today than at any time in its history. Our way of life "from everyday conveniences and the security of local emergency services to commerce and communications" is contingent upon an always on, always available flow of electricity.

27th October 2017 As readers of this blog will know, for many years I have pursued the idea that "stress"™ was the primary cause of cardiovascular disease. Actually, it is strain. Stress is the force applied, strain is the effect that stress produces. For the sake of simplicity, I will just use the word stress.
