

current perspectives in industrial pdf

Industrial relations or employment relations is the multidisciplinary academic field that studies the employment relationship; that is, the complex interrelations between employers and employees, labor/trade unions, employer organizations and the state.. The newer name, "employment relations" is increasingly taking precedence because "industrial relations" is often seen to have relatively ...

The Air Force Center for Strategy and Technology (CSAT) was established at The Air War College in 1997. Its purpose is to engage in long-term strategic thinking about technology and its implications for U.S. national security.

Air Force Center for Strategy and Technology

We view Donald Trump's™ ascendancy to the Presidency of the U.S. as confirmation of a political and economic paradigm shift that started with Brexit but is likely to continue for the foreseeable future, including elections across Europe in 2017. Consistent with this view, we believe that there are four major potentially secular changes that all investment professionals must consider: fiscal ...
