Dark Night Of The Soul describes the painful experiences and their significance on the spiritual journey of St. John. The dark night is perceived by mystics and practicing monks from several religions to be a blessing in disguise, whereby the individual is stripped (in the dark night of the senses) of the spiritual ecstasy associated with acts of virtue.

In his book Abandoned to God, Oswald Chambers states, "The mystics used to speak of 'the dark night of the soul' (or 'night season') as a time of spiritual darkness and dryness, not the direct result of sins committed, but rather a deep conviction of sin itself within the heart and mind. It is a time the person 'is being brought to an end of himself,' and made aware of the utter worthlessness of his own nature when stripped of all religious pretensions.
