Mass killings occurred under several twentieth-century communist regimes. Death estimates vary widely, depending on the definitions of deaths included. The higher estimates of mass killings account for crimes against civilians by governments, including executions, destruction of population through man-made hunger and deaths during forced deportations, imprisonment and through forced labor.

This is an incomplete listing of some very bad things that happened before the 20th Century. I've scoured the history books and collected most of the major atrocities that anyone has bothered to enumerate. However, just because an event is missing from these pages doesn't mean that it wasn't very bloody.
