Overview. Decision-making can be regarded as a problem-solving activity terminated by a solution deemed to be optimal, or at least satisfactory.

### **Decision-making - Wikipedia**

Participative decision-making (PDM) is the extent to which employers allow or encourage employees to share or participate in organizational decision-making (Probst, 2005). According to Cotton et al. (1988), the format of PDM could be formal or informal. In addition, the degree of participation could range from zero to 100% in different participative management (PM) stages (Cotton et al. 1988 ...
