

democracy in latin america pdf

Democracy has come a long way in Latin America and we can draw encouragement from the region's historic rejection of military dictatorships and bloody civil conflicts (although the one in Colombia continues unabated). Yet, for all of the steps in the right direction, democracy in Latin America still faces many challenges.

The Pragmatic Turn of Democracy in Latin America . 1 ... mal and liberal democracy in Latin America (Diamond 1997). Democracy indices relying also on attitudinal data led to constant critical assessments of the quality of democracy in Latin America over the 1990s. Even if the scholarship

The pragmatic turn of democracy in Latin America

Democracy in Latin America is organized by eight themes: independence and the establishment of democracy; the economic shift from exports to import substitution; democratic breakdowns, transitions, and consolidation; the double transition to democracy and trade liberalization in the 1980s and 1990s; institutions, democratic governability, and neopopulism; presidentialism and parliamentarism; the "new social question"; and the need for democracy of institutions.

Project MUSE - Democracy in Latin America

In contrast, the principal other remedy to Latin America's ills has failed time and again: military coups. In the name of prosperity and order, and sometimes anti-communism and Christianity, military rulers have suppressed public liberties, violated judicial procedures, repressed social action, jailed opponents, and in some countries committed vile acts of torture and murder.
