Teaching content to ELs: The challenge. In my work supporting general education and ESL/bilingual teachers who provide sheltered instruction for English learners (ELs), I have met many teachers like Mrs. Shell. While these teachers want to provide effective instruction for their ELs, often they don't see themselves as language teachers and so they aren't sure where to begin with their students.

Project-based learning (PBL) is a student-centered pedagogy that involves a dynamic classroom approach in which it is believed that students acquire a deeper knowledge through active exploration of real-world challenges and problems. Students learn about a subject by working for an extended period of time to investigate and respond to a complex question, challenge, or problem.
