detective fiction a collection pdf

Detective fiction is a subgenre of crime fiction and mystery fiction in which an investigator or a detective—either professional, amateur or retired—investigates a crime, often murder. The detective genre began around the same time as speculative fiction and other genre fiction in the mid-nineteenth century and has remained extremely popular, particularly in novels.

A detective is an investigator, usually a member of a law enforcement agency. They often collect information to solve crime by talking to witnesses and informants, collecting physical evidence, or searching records in databases. This leads them to arrest criminals and allow them to be convicted in court. A detective may work for the police or privately.
