Inking, or finishing, a comic page is a crucial step in the creation of a comic book and is a skill in and of itself. I'm Ben Bishop, a comic creator. I've been making comics for a while, but if you're just beginning or simply interested in learning the steps involved, this course will take you through the tools and techniques I use to digitally ink a comic book page.

### **Comic Books: Digital Inking and Refinement - Welcome**

After carefully selecting his brushes in Photoshop, Ben begins the digital inking process. He carefully retraces his lines, adding line weight, halos, highlights, and shadows and texture. He even adds blur effects that give his comics a cinematic quality while also using positive and negative space to set the mood of the scene and create a compositionally pleasing page.
