

digital libraries technology and pdf

Help us build exemplary collections, host engaging events, acquire cutting-edge technology, and provide inviting teaching and learning spaces.

Mississippi State University Libraries

The Liblicense Model License, designed to provide a template for libraries negotiating to license digital content, has been updated. The 2014 revision is available on this site on the Model Licenses page.. Increasingly, university and research libraries are being inundated with information that has been created in digital format and transmitted and accessed via computers.
