Fundamental principles of digitization of documentary heritage (information drawn from the non-exhaustive list of sources in the endnote) Objective The purpose of this text is to collate in one document, the basic information needed to understand the requirements of digitization.

### **Fundamental principles of digitization of documentary**

In order to understand the impact digitisation has on diplomacy it is necessary to explore the precise meaning of "digital". Digitisation may be understood as either: 1) a tool, 2) a site, 3) a condition or 4) an environment. For each case, digitisation should appeal to the creative capacity of Ministries of Foreign Affairs (MFAs).
