DigitalDreamDoor Music Lists These lists are a source of information to help guide you to discover new and better songs, musicians, bands, and albums that may truly be of interest to you.

DigitalDreamDoor Main Music List Page

music, propelled by artificial instruments, the exact opposite of rock music, which emphasized the live experience and was played with electric instruments. The difference was more than just technical: rock music was a macho, straight, aggressive happening, whereas disco-music was a sensual, effeminate, languid affair.

The History of Rock and Dance Music - The Seventies

Every song on this album is awesome, and will really get you into the mood to get moving. Disco. Everyone makes fun of disco, but secretly, most people really do like it. After all, it is great music to dance to, and there were some pretty fantastic albums from the disco era.

25 Of The Best Albums To Listen To Increase Productivity

To mark the release of his new album, Shades, the veteran blues guitarist flashes back to his early days with Stevie Ray Vaughan, his time touring with Roger Waters, and the trade he made with Eric Clapton.
