Summary The present survey deals with the general development of the insurance markets

### **DEVELOPMENT OF REINSURANCE MARKETS Summary**

The basic question at issue in the contemporary origins debate is whether or not the world was created. It could be tempting to simply put participants in the discussion into two groups – "creationists and evolutionists" – and leave it at that. Some on both sides of the issue would like to do exactly ...

the post-war emergence of lightweight concrete. Concrete is a relatively heavy building material, hence the many experiments throughout the 20th century to decrease its weight without impairing other properties.

## lightweight concrete - Post-war building materials

The history of chemistry represents a time span from ancient history to the present. By 1000 BC, civilizations used technologies that would eventually form the basis of the various branches of chemistry. Examples include extracting metals from ores, making pottery and glazes, fermenting beer and wine, extracting chemicals from plants for medicine and perfume, rendering fat into soap, making ...
