Health care in America is in a state of crisis. Certain segments of American medicine have been transformed into a dysfunctional nightmare of irresponsible practices, dangerous procedures, bureau-cratic regulations, and skyrocketing costs. Instead of healing people, the broken health care system is prolonging people's suffering in too many cases.

Psionic Class - Divine Mind. A divine mind is a psionic character who channels the power of the divine through psionic talent instead of faith. While a cleric or paladin must make do with whatever powers and abilities a deity decides to provide, a divine mind chooses among the domains of his deity for the ability he most requires to accomplish his goals, whether they are divinely inspired or not.
