Empowerment and Focus During Divorce Navigating divorce can be a confusing, isolating, and tricky to do - especially on your own. But the first step, as Divorce Coach and writer Karen McMahon describes here , is keeping the focus on yourself.

Empowerment and Focus During Divorce | OurFamilyWizard

Divorce can have positive benefits for many women. Some women experience a chance to grow personally and professionally for the first time after a divorce. The divorced woman may have more time to focus on herself by returning to school or building a business.

How Divorce Can Empower Women - Project Eve

There have been no disagreements over terms, and our adult children have not complained over how their mother was treated. I believe this divorce was the best thing for me, and was done in the kindest way possible.â€• People can grow after the divorce as well as during the process.

Divorce Can Be Empowering-First Person - TL Law Group

In a contested divorce, husband and wife cannot agree on how to divide their property, debt or custody of the children. Both husband and wife need to retain separate attorneys.

Divorce on the Horizon: Considerations for Women

divorce, you may use the forms in this packet to file for a divorce. The instructions in this packet will help you in completing these forms, starting your action and satisfying the other requirements for obtaining a

THE BASICS New York State. - nycourts.gov

You probably have other feelings you can add to the list. The good news is that most women face these intense feelings and go on to live fulfilling and happy lives.
