Great idea! I have tons of scrap lumber around that would make excellent project boxes. Plus, wood can be treated for outdoor exposure. My plastic project boxes can't take too much Florida weather, but I bet wood can do it. Thanks! Also, for higher voltage projects I suggest using electrical junction boxes. They are cheap and easy to modify.

How to Make Cheap PVC Project Enclosures and Boxes

The Home Depot is your best resource for getting educated on projects that you can complete yourself, and buying guides that provide information to help you navigate the shopping and buying process. Our helpful videos present detailed, step-by-step instructions so you can see how the installations are actually conducted from start to finish.
