There's something perverse about an entire industry predicated on the concept that excruciating pain is good for women. I'm talking, of course, about the natural childbirth industry, and the books, blogs, courses, videos and celebrities that comprise it.

### **The natural childbirth industry: devoted to ignoring**

A sex position is a position of the body that an individual or couple people may use for sexual intercourse or other sexual activities. Sexual acts are generally described by the positions the participants adopt in order to perform those acts. Though sexual intercourse generally involves penetration of the body of one person by another, sex positions commonly involve penetrative or non ...
