

dying for a drive pdf

In the law of evidence, a dying declaration is testimony that would normally be barred as hearsay but may in common law nonetheless be admitted as evidence in criminal law trials because it constituted the last words of a dying person. The rationale, accurate or not, is that someone who is dying or believes death to be imminent would have less incentive to fabricate testimony, and as such, the ...

Death is the cessation of all biological functions that sustain a living organism. Phenomena which commonly bring about death include aging, predation, malnutrition, disease, suicide, homicide, starvation, dehydration, and accidents or major trauma resulting in terminal injury. In most cases, bodies of living organisms begin to decompose shortly after death.

We are currently living through the declining era of democracy. The age of democracy began in 1776, when America revolted from its King, but it was not until the French Revolution of 1789 and the destruction of most of Europe's monarchies in the ensuing Napoleonic Wars did the age of democracy begin in earnest.
