

early greek philosophy and pdf

A number of early Greek philosophers active before and during the time of Socrates are collectively known as the pre-Socratics. Their inquiries spanned the workings of the natural world as well as human society, ethics, and religion, seeking explanations based on natural principles rather than the actions of supernatural gods.

HISTORY OF PHILOSOPHY I: ANCIENT PHILOSOPHY

Natural philosophy or philosophy of nature (from Latin philosophia naturalis) was the philosophical study of nature and the physical universe that was dominant before the development of modern science. It is considered to be the precursor of natural science.. From the ancient world, starting with Aristotle, to the 19th century, the term "natural philosophy" was the common term used to describe ...
