BDSM is a variety of often erotic practices or roleplaying involving bondage, discipline, dominance and submission, sadomasochism, and other related interpersonal dynamics. Given the wide range of practices, some of which may be engaged in by people who do not consider themselves as practicing BDSM, inclusion in the BDSM community or subculture is usually dependent upon self-identification and ...

Physical attractiveness is the degree to which a person's physical features are considered aesthetically pleasing or beautiful. The term often implies sexual attractiveness or desirability, but can also be distinct from either. There are many factors which influence one person's attraction to another, with physical aspects being one of them.

The objections I hear to polyamory tend to separate into two narratives sharing a common thread. The first narrative is supposedly concerned about women, and typified by National Review's Polyamory Is A Modern Name For A Backward Practice. It asks: What happens to women in a world where we scrap ...
