Economics Today The Macro View With Myeconlab

His research on macroeconomics, monetary economics, and international economics has resulted in more than 160 publications in journals and edited volumes, including the American Economic Review, the Journal of Political Economy, the Review of Economic Studies, the Journal of Monetary Economics, and the Journal of Money, Credit, and Banking.

Parkin, Economics, 8th Edition | Pearson

Second Edition. The core of the principles course has been around for more than 100 years, and other important elements, especially part of the theory of the firm and Keynesian macro-economics, have been with us for more than 50 years. But economics has also been developing and changing rapidly during the past few decades.
