Public Education for Deep Democracy Democracy, in all of its forms, is a continuing project. The development of its necessary elements, including public education, is uneven. Competitive individualism as the exclusive method for achievement in learning and life restricts both instructional and civic practice.

Education and Democracy - Macalester College

Bureaucracy is failing education reform because it doesn't acknowledge or address two central realities: the U.S. remains corrosively inequitable, especially in terms of race, class, and gender; and education tends to perpetuate those inequities through commitments to tracking, testing, and ranking. "Bureaucracy can't teach," as Howard notes.
