elder scrolls gameplay attributes pdf

There are three attributes in Skyrim; Magicka, Health and Stamina. All of these attributes start out at 100, and every time your character level increases you can improve one of these three attributes by ten points per character level.

Attributes / Leveling Basics / The Elder Scrolls V: Skyrim

Increasing any combination of skills governed by the same attribute will allow a bonus modifier for this attribute equal to the number of relevant skill increases during the next level up, maximized at a +5 modifier.

Attributes (Oblivion) | Elder Scrolls | FANDOM powered by

Attributes . The five attributes in The Elder Scrolls: Legends are Agility, Endurance, Intelligence, Strength and Willpower. All of them have their own distinct properties and qualities. Each attribute is associated with a color represented on the cards to make them easier to distinguish from one another.

The Elder Scrolls: Legends | Beginner's Guide to

Gameplay Information + Attributes in The Elder Scrolls Legends are listed here. Attributes define the colors and qualities of the cards and determine the types of cards that can be used in decks. When cards from 2 Attributes are combined to build a deck, the resulting color combination is called a Class.

Attributes | Elder Scrolls Legends Wiki Wiki

Good riddance to 'skills' that didn't add any depth to the gameplay. (not that the Elder Scrolls games have much depth, they're more broad than deep xD). This isn't about you, it's about adding these skills which some of us do enjoy and which do add depth to the gameplay.

All attributes mod :: The Elder Scrolls V: Skyrim General

It's time to answer the never ending "what's your attributes bro" question. This video covers all the details about attributes and how you can/should spec after Elder Scrolls Online Update ...

How to spend attributes in The Elder Scrolls Online
