Parts of the Bass A bass is made up of three main sections: the body, the neck and the headstock. All of the other parts of the bass are mounted on these three sections. The bridge is the assembly that anchors the strings to the body. Pickups are also mounted to the body and work like little microphones that pick up the sound from the strings.

2- The bass player isn't noticed unless the bassist is not playing, or playing the wrong notes. Get it? If you're crazy on the bass, then you're no longer the glue, and eroding the foundation. If you are off, it's much better to quickly pause, listen and find your place again than scatter the wrong notes all over the place.

For when you have to learn to play the bass RIGHT NOW!!!
