Typesetting is the composition of text by means of arranging physical types or the digital equivalents. Stored letters and other symbols (called sorts in mechanical systems and glyphs in digital systems) are retrieved and ordered according to a language's orthography for visual display. Typesetting requires one or more fonts (which are widely but erroneously confused with and substituted for ...

In 1979, the Portland City Council founded a nonprofit corporation called Portland Energy Conservation, Inc.
to carry out the country's first energy conservation policy.. Over 35 years (and one name change, to the
shorter, sweeter PEI), we have evolved and grown as necessary to help communities across the country
identify ways to meet the future and promote growth and independence.
