A digital divide is an economic and social inequality with regard to access to, use of, or impact of information and communication technologies (ICT). The divide within countries (such as the digital divide in the United States) may refer to inequalities between individuals, households, businesses, or geographic areas, usually at different socioeconomic levels or other demographic categories.

Digital divide - Wikipedia

Point Park University is a liberal arts university in downtown Pittsburgh, Pennsylvania. Formerly known as Point Park College, the school name was revised in 2004 to reflect the number of graduate programs being offered.
