

elements of language developmental pdf

Oral language permeates every facet of the primary school curriculum. The development of oral language is given an importance as great as that of reading and writing, at every level, in the curriculum. It has an equal weighting with them in the integrated language process.

Five Components of Effective Oral Language Instruction

This workbook is designed to supplement Language Skills Practice by providing additional instruction and practice to students who have not yet mastered the rules and topics covered in Elements of Language.
