

emergence of arab nationalism pdf

Palestinian nationalism is the national movement of the Palestinian people for self-determination in and sovereignty over Palestine. Originally formed in opposition to Zionism, Palestinian nationalism later internationalized and attached itself to other ideologies. Thus it has rejected the historic occupation of the Palestinian territories by Israel and the non-domestic Arab rule by Egypt over ...

Palestinian nationalism - Wikipedia

Nationalism is a political, social, and economic system characterized by the promotion of the interests of a particular nation, especially with the aim of gaining and maintaining sovereignty (self-governance) over the homeland. The political ideology of nationalism holds that a nation should govern itself, free from outside interference and is linked to the concept of self-determination.
