It is a responsibility we are failing to meet. According to statistics from the U.S. Department of Education, the gap in eighth-grade reading and math test scores between low-income students and their wealthier peers hasn't shrunk at all over the past 20 years. (The gap between poor and wealthier fourth-grade students narrowed during those two decades, but only by a tiny amount.)

Lesson Plans: Using Procedures. The procedure is the body of your lesson plan, the ways in which you'll share information with students and the methods you'll use to help them assume a measure of mastery of that material. The three stages (a motivational opening, the development of the lesson, and the closing), although instructional in nature, can also involve some formal or informal ...
