The Difference. Our biblically-based, accredited college degree means that Bible and theology is at least 25%

of your accredited coursework. Moreover, your general studies courses (history, science, etc.) and electives have God's word as the basis for your classroom or online experience, your assignments, and your interaction with classmates and professors.

College of Biblical Studies

Python is a basic calculator out of the box. Here we consider the most basic mathematical operations: addition, subtraction, multiplication, division and exponentiation. we use the `func:print` to get the output.

pycse - Python3 Computations in Science and Engineering

In this post I compare four MyRocks releases from February to October using in-memory sysbench and a small server. The goal is understand where we have made MyRocks faster and slower this year.
