Project-based learning (PBL) is a student-centered pedagogy that involves a dynamic classroom approach in which it is believed that students acquire a deeper knowledge through active exploration of real-world challenges and problems. Students learn about a subject by working for an extended period of time to investigate and respond to a complex question, challenge, or problem.

The culture of Canada embodies the artistic, culinary, literary, humour, musical, political and social elements that are representative of Canada and Canadians. Throughout Canada's history, its culture has been influenced by European culture and traditions, especially British and French, and by its own indigenous cultures. Over time, elements of the cultures of Canada's immigrant populations ...
